

INSTRON SOFTWARE LICENSE AGREEMENT

This Software License Agreement (“Agreement”) describes important rights and obligations governing your use of the computer software purchased from Instron, a division of Illinois Tool Works Inc. (“Instron”), or under the Instron name and related documentation (the “Software”), which you should read carefully. By accessing or using the Software, you agree to the terms of this Agreement. If you are accepting these terms on behalf of another person or company or other legal entity, you represent and warrant that you have full authority to bind that person, company or legal entity to the terms of this Agreement. If you do not agree with the terms of this Agreement, do not use the Software.

1. **LICENSE:** You are granted by Instron a non-exclusive, non-transferable (except as provided herein), non-sublicensable, limited license to use the Software in your own business, only installed upon a single computer used with your Instron testing machine (the “Machine”), for the purpose of operating, viewing and/or monitoring your Machine.

Notwithstanding the foregoing, solely for Bluehill® Central Software, you are granted by Instron a non-exclusive, non-transferable (except as provided herein), non-sublicensable, limited license to use the Bluehill® Central Software in your own business, only installed upon a single server and to have a number of users concurrently use the Bluehill® Central Software on that aggregate number of computers using Bluehill® Central Client Software or virtual machines, at any one time, that is equal to or less than the number of licenses of the Bluehill® Central Software purchased by you.

The Software may be used only (i) by your employees and contractors working for you, (ii) on computers or virtual machines that are owned or controlled by you, and (iii) for your own internal business purposes.

2. **LIMITATIONS; RESTRICTIONS:** You have no right to use the Software except for the purpose stated above. You have no right to reproduce the Software except for backup or archive purposes and no right to distribute the Software. Except as otherwise provided herein, you may not use the Software on more than one item of computer equipment or permit use by more than one user at one time, including any such use on multiple items of equipment associated in a network or similar configuration.

3. **CUSTOMER DATA:** As between you and Instron, all data submitted through the Software and/or in the course of using the Software (“Customer Data”) is owned by you and shall be considered your confidential information. You grant Instron and its licensors a worldwide, non-exclusive, non-transferable (except in connection with assignment of this Agreement) right to store, access and use the Customer Data for the purpose of providing Software services. Customer Data may also be aggregated or anonymized by Instron and/or its licensors to improve its services, develop new services, show trends about general use of services, and for other business and marketing purposes by Instron or its licensors.

4. **OWNERSHIP AND CONFIDENTIALITY:** Ownership of the Software and any related documentation, copies, modifications, and derivatives of the foregoing (in whole or in part), and all related copyright, patent, trade secret and other proprietary rights, are and will remain the exclusive property of Instron and/or its licensors. You shall not and shall not permit any third party to (i) disassemble, decompile or reverse engineer the Software or derive its algorithms from its use; (ii) modify or create derivative works of the Software; (iii) rent, lease, or loan the Software; (iv) use the Software for third-party training, to deliver software implementation or consulting services to any third parties, or for commercial time-sharing or service bureau use; (v) copy, download or reproduce the Software in whole or in part except as permitted in writing by Instron; or (vi) alter, remove, or obscure any copyright, trade secret, patent, trademark, logo, proprietary and/or other legal notices on or in any copies of the Software. All non-public information regarding the Software and its performance, including any analyses and benchmarking that you may perform, shall be deemed the confidential information of Instron and/or its licensors and you shall not disclose such information to any third party or use it for any purpose other than exercising your rights hereunder. You agree not to disclose or otherwise make available the Software to any person other than your employees who require such access in connection with the Machine, and shall establish reasonable security precautions to prevent unauthorized disclosure.

5. **TRANSFER:** You may transfer the Software to another party only if (i) it is transferred with the Machine upon which it was originally installed or accompanied upon delivery; (ii) such party agrees to all terms of this Agreement; (iii) you receive Instron’s consent; and (iv) you do not retain any copies of the Software. Any other attempted assignment, sublicense or other transfer of the license granted hereby shall be void.

6. **TERMINATION:** The license granted hereby shall terminate upon any failure on your part to comply with the terms hereof. Upon termination, you shall have no further right to use the Software and shall immediately return to Instron or irretrievably delete all copies of the Software in your possession and provide confirmation to Instron within thirty (30) days of deletion. Sections 3-11 shall survive termination of this Agreement.

7. **WARRANTY:** Software which is proprietary to Instron is warranted for a period of one (1) year from the date of shipment to function generally in accordance with its documentation, but such functioning is not warranted to be uninterrupted or error-free. Third party Software is warranted for the same period and to the same extent that our licensor has warranted to us. Instron does not warrant that the Software will be error free or that all errors can be remedied. EXCEPT AS EXPRESSLY PROVIDED HEREIN, INSTRON MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SOFTWARE, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

8. **LIABILITY:** Instron’s sole liability, and your exclusive remedy, for matters relating to the Software shall be, at Instron’s sole discretion, the repair or replacement of any Software which fails to satisfy the warranty set forth above, or if Instron is not able to or determines it is not commercially feasible to repair or replace the Software within a reasonable period of time, termination of this Agreement and a refund of the amount specifically paid by you for the Software. By acceptance of the Software, you assume liability for any damages which may result from use or misuse of the Software by you or your employees, or by others. EXCEPT AS EXPRESSLY SET FORTH HEREIN OR AS PROHIBITED BY LAW, INSTRON AND ITS LICENSORS SHALL HAVE NO LIABILITY, IN CONTRACT, TORT OR OTHERWISE, FOR ANY MATTER RELATED TO THE SOFTWARE. IN PARTICULAR, WITHOUT LIMITATION OF THE FOREGOING AND EXCEPT AS PROHIBITED BY LAW, INSTRON AND ITS LICENSORS SHALL HAVE NO LIABILITY FOR ANY INJURY TO PERSON OR PROPERTY, LOSS OF PROFITS, OR OTHER INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES.

9. **EXPORT; GOVERNMENT RESTRICTED RIGHTS:** You warrant and represent that neither you nor any of your users are listed on the U.S. Commerce Department’s Denied Persons List, Entity List, or Unverified List, the U.S. State Department’s Nonproliferation Sanctions List, or the U.S. Treasury Department’s List of Specially Designated Nationals and Blocked Persons or the Sectoral Sanctions Identifications (SSI) List. You shall not export or re-export, directly or indirectly, or provide to any other person or entity for export or re-export, or provide access to, the Software without first complying with all U.S. and applicable foreign export control regulations, including, without limitation, obtaining any necessary export or re-export consent from the U.S. Department of Commerce or other governmental authority. If you are a U.S. governmental entity, you agree that the Software is “commercial computer software” under the applicable federal acquisition regulations and are provided with the commercial license rights and restrictions described elsewhere herein.

10. **CHOICE OF LAW:** This Agreement and all acts and transactions pursuant hereto shall be construed and the legal relations between the parties hereto determined in accordance with the laws of the State of Illinois, without regard to the conflict of laws rules thereof and without regard to the United Nations Convention on the International Sale of Goods.
